MICHIGAN STATE UNIVERSITY

CRITERIA FOR ADMISSION

FRESHMAN ADMISSION CRITERIA

Admission as a freshman is based on factors that emphasize academic performance in high school, strength and quality of curriculum, recent trends in academic performance, class rank, and results of the ACT or SAT. Nonacademic factors such as leadership qualities, exceptional talents, conduct, and citizenship record may be considered in an admission decision. MSU strongly encourages a college preparatory curriculum. Visit www.admissions.msu.edu for details.

COLLEGE ACHIEVEMENT ADMISSIONS PROGRAM (CAAP)

CAAP is an alternative admission process for incoming freshman students who have academic potential, but because of economic, cultural, or educational backgrounds or environments would be unable to realize that potential without special supportive services. Ask your high school counselor about CAAP or visit www.admissions.msu.edu for more information.

TRANSFER ADMISSION CRITERIA

Admission as a transfer student is based on consistent academic performance including all grades, courses, and attempts at all previously attended institutions. Applicants with a GPA below 2.0 are not admissible. Consideration for admission is stronger for applicants with a 3.0 GPA or higher and completion of one year of English composition and a math course equivalent to intermediate algebra (college algebra preferred) or higher. Admission consideration is stronger if you have completed 28 or more credits. Students with 42 or more credits completed must select a major; the options of no preference, pre dental, premedical, pre nursing, preoptometry, and preveterinary cannot be chosen. Certain majors have additional admission requirements. Visit www.admissions.msu.edu for details.

INTERNATIONAL ADMISSION CRITERIA

Admission to Michigan State University as an international student is based upon the same criteria as domestic students. (Refer to the freshman and transfer admission criteria above for details.) Students admitted with regular admission must demonstrate English language proficiency as follows: a minimum computer-based TOEFL score of 213 with no subscore below 19; For the new Internet-based TOEFL (IBT), a score of 79 with no subscore below 17 is needed; a minimum ELPT average score of 80 with no subscore below 80; a minimum SAT verbal score of 480; or a minimum MELAB average score of 83 with no subscore below 80. Students with acceptable academic credentials but not meeting language proficiency requirements may be admitted on provisional status. Provisional status is granted if the student has a computer-based TOEFL score between 133 and 213 or a ELPT average score between 60 and 80. Provisional status will continue until minimum language proficiency (regular admission proficiency) is attained; however, the language deficiency must be corrected within one calendar year in order to remain enrolled. Provisionally admitted students are required to take an English language exam upon arrival to determine if additional language course work is required.

Admitted international students receive the I-20 form with the official letter of admission. All international students are required to present the I-20 form when applying for an F-1 Student Visa and again at the port of entry into the United States. Students applying for a J-1 Exchange Visitor Visa will need to present a DS-2019 form. This form is available from the organization/program sponsoring the student or from the Office for International Students and Scholars at MSU. Applicants enrolled at another U.S. institution with an F-1 Student Visa must be released from SEVIS by their current institution before MSU can issue a new I-20 form.

APPLICATION GUIDELINES

APPLICATION DEADLINES

Michigan State University uses rolling admission. Decisions are typically made eight to 12 weeks after all application materials are received. The number of qualified applicants has exceeded available space in recent years. For maximum admission and scholarship consideration, submit your application according to the following guidelines.

- High school seniors: apply August to November of your senior year
- Transfer students: apply six months prior to your desired semester of enrollment
- International students: apply one year prior to your desired semester of enrollment

APPLICATION FEES

The nonrefundable application fee is \$35 for domestic freshman or domestic transfer applicants or \$50 for international freshman or international transfer applicants. Application fee payments may be made online using Visa, MasterCard, Discover, American Express, or an electronic check. Paper application fee payments may be made using a check (drawn on U.S. funds) or money order made payable to Michigan State University. Fee waivers are accepted for domestic freshman and domestic transfer applicants whose economic circumstances make the payment of the \$35 application fee difficult. Fee waivers are available online at www.admissions.msu.edu or from your high school. Fee waivers are not available for international applicants.

APPLICATION VALIDITY

Applications are valid for one calendar year beyond the initial semester of submission. It is not necessary to submit a new application form or application fee during this period. To be considered for an alternate semester, contact the Office of Admissions before the application's expiration.

APPLICANT CLASSIFICATIONS

- Freshman applicant: any student who has or will receive a high school diploma or its equivalent before enrollment at MSU and has never attended any postsecondary institution after high school graduation, with the exception of attendance during the summer term immediately following graduation.
- Nontraditional freshman applicant: any student who has received a high school diploma or its equivalent more than two years before enrollment at MSU and has never attended any postsecondary institution after high school graduation, with the exception of attendance during the summer term immediately following graduation.
- Transfer applicant: any student who has attended a postsecondary institution after graduating from high school, with the exception of attendance during the summer term immediately following graduation.
- International applicant: any student who is not a U.S. citizen or U.S. permanent resident and has not been granted refuge or asylee status in the United States.

MAJOR CODES

A list of major codes is available on page 8 of this application booklet. Enter the name and code of your major preference in box 15 of the application for admission. Students admitted to the university as a freshman or sophomore may designate "no preference" on the application for admission. All students must officially declare a major preference by the end of sophomore year. The preprofessional options of pre dental, premedical, pre nursing, preoptometry, and preveterinary are only available during a student's freshman and sophomore year. Transfer students with 42 or more transferable credits may not select no preference or one of the preprofessional majors. All students must officially declare a major preference by the end of sophomore year.

Formal admission to a preferred major is granted by the appropriate college when a student attains junior standing and fulfills the admission requirements of that college. Refer to the Academic Programs Catalog at www.reg.msu.edu/ucc/AcademicPrograms.asp for more information.

INSTRUCTIONS FOR APPLICATION SUBMISSION

Although paper application forms are available, **it is preferable for you to submit the application online at www.admissions.msu.edu**. Applying online allows for faster processing and gives you the ability to track your application's status using the online application status check.

INSTRUCTIONS FOR ALL APPLICANTS

- Complete the application for admission online at www.admissions.msu.edu/apply.asp or using the paper form.
- Prepare your required personal statement.
- Pay the \$35 application fee (\$50 for international applicants) using Visa, MasterCard, Discover, American Express, or an electronic check (online applications only). Application fee waivers are available online or from your high school. International applicants are not able to use fee waivers.

ADDITIONAL STEPS FOR FRESHMAN APPLICANTS

- Give the high school counselor form to your counselor or principal. Your school will complete the form and submit it with your official high school transcript to MSU.
- Have your ACT or SAT scores sent directly to MSU by the testing agency. The ACT code is 2032; the SAT code is 1465. You are required to submit the writing portion of the test.

ADDITIONAL STEPS FOR TRANSFER APPLICANTS

- Have transcripts from all colleges and universities attended sent to MSU.
- Submit official high school transcripts and ACT or SAT scores if you have completed fewer than 28 credits.

ADDITIONAL STEPS FOR INTERNATIONAL FRESHMAN AND TRANSFER APPLICANTS

- Have official or certified copies of all transcripts, diplomas, marked sheets, and certificates sent from all high schools, colleges, and universities attended. Official translations must be provided when originals are not in English.
- Submit official high school transcripts if you have completed fewer than 28 college credits.
- International transfer applicants should send copies of all course descriptions and syllabi from all colleges and universities attended to the Office of Admissions at the time of application.
- Submit the statement of financial proof with supporting bank statement. This document is on page 7 of this application booklet.
- Provide proof of English proficiency if your first language is not English (TOEFL, SAT, IELTS, MELAB, or ELPT accepted). The TOEFL code is 1465. International students are encouraged to submit SAT scores, if available. SAT scores are useful for determining academic admissibility and for placement in math and English composition classes.

- In view of your educational experiences and the socio-economic environment in which you grew up, provide an example of a challenge you faced. How did you overcome or strive to overcome this challenge?
- Describe a specific experience when you learned about a culture different from your own and how it affected or did not affect your worldview.
- Describe your experiences promoting global understanding and/or the value of diversity in society.

30. ADDITIONAL REQUIRED INFORMATION

Michigan State University seeks to admit students who provide evidence of intellectual performance, good character, and potential that will permit them to profit from the programs offered by Michigan State. The university recognizes that learning opportunities are enhanced by a secure environment. As part of the admissions process, we require applicants to respond to the following questions. Information provided in response to these questions needs to be reviewed, but rarely results in denial of admission.

a. Have you ever been expelled, suspended, disciplined, or placed on probation by any secondary school or college you have attended because of

- academic dishonesty,
- financial impropriety, or
- an offense that harmed or had the potential to harm others?

YES NO

b. Have you ever been convicted of a criminal offense (including in juvenile court) other than a minor traffic violation, or are there criminal charges pending against you at this time?

YES NO

If you answer yes to either of these questions, please submit a letter of explanation. If circumstances arise in the future (until the time you begin attending classes) that make your answers to the above questions inaccurate, misleading, or incomplete, you must provide the Office of Admissions with updated information.
